RE: **2009-2010 TUITION RECIPROCITY RATES FOR STUDENTS FROM NORTH DAKOTA, MANITOBA, IOWA AND MSEP STATES**

This document contains the official 2009-2010 reciprocity rates for students from North Dakota, Manitoba, Iowa and the MSEP states. Please distribute a copy of this document to your campus business, financial aid and admissions offices. We won't be able to issue reciprocity rates for students from South Dakota and Wisconsin until July after the MnSCU board and UW system board officially approve 2009-2010 rates.

MnSCU campuses that do not have non-resident tuition rates must still require residents from North Dakota and Wisconsin to apply for tuition reciprocity so they are officially approved by boards in those states and included in the interstate payment calculation. Students from South Dakota can be approved for reciprocity on campus without having to apply through the South Dakota Board of Regents.

**Students from North Dakota**

All MnSCU institutions should charge Minnesota resident tuition and fee rates to all North Dakota tuition reciprocity recipients.

**Students from Iowa**

The only participating institution, Minnesota West Community and Technical College, should charge its Minnesota resident tuition and fee rate to Iowa residents of Merged Area III in northwestern Iowa who are participating in tuition reciprocity. Other MnSCU campuses are not covered by the Iowa agreement.

**Students from Manitoba**

MnSCU campuses should charge Minnesota resident tuition and fee rates to tuition reciprocity participants from Manitoba.

**Students from MSEP States (Indiana, Michigan, Missouri, Kansas and Nebraska)**

**Students from Indiana are now eligible for MSEP rates.** Participating MnSCU institutions/programs should charge MSEP participants up to 150 percent of the resident tuition rate at the Minnesota institution attended, plus any institutional fees. Institutions can charge anywhere from 100 to 150 percent of the resident rate, which should accommodate those MnSCU sites that no longer charge non-resident rates.
